Title: 12 Interruption of Residential Water and Sewer Services

Purpose

To state when City crews will excavate lateral services for repairs in exclusion of emergency situations.

Policy Statement

1. Residential properties requiring excavation of lateral services after regular working hours are required to make alternate arrangements until such time as City crews can rectify the problem at the beginning of the next day. A regular working day, weekend or municipal holiday is the definition of the next day for this policy.
2. This policy does not apply to situations requiring immediate attention such as main sewer back-ups.
