

Proclamation

ENERGY EFFICIENCY WEEK
October 1-7, 2022

WHEREAS: takeCHARGE is a joint initiative between Newfoundland Power and Newfoundland and Labrador Hydro aimed at creating energy efficiency awareness and delivering programs that promote electricity savings to the residents of this province; and

WHEREAS: Energy efficiency is important for the people of St. John's and our whole province, as it helps reduce the demand on the electricity system and the impact on the environment, while helping homeowners and businesses save energy and money; and

WHEREAS: Energy Efficiency Week 2022 is focused on providing Newfoundlanders and Labradorians with the information they need to save energy and money! This year, takeCHARGE encourages customers to *take action* to save energy during Energy Efficiency Week and every week of the year. *Install* programmable thermostats, *switch* bulbs to LED, *unplug* devices not in use, and *turn* to cold water when washing clothes – every action to save energy adds up! The takeCHARGE team has advice, tips, and rebates to help you save energy and money. Visit [TakeChargeNL.ca](https://www.takechargenl.ca) for a list of opportunities, including webinars and events, to get expert advice from the takeCHARGE team all week. Here's another action to take this week - *enter* for a chance to win one of two smartwatches before time runs out! Energy Efficiency Week is also a great time to save right at the register with takeCHARGE [Instant Rebates](#).

THEREFORE: I, Mayor Danny Breen, do hereby proclaim October 1-7, as Energy Efficiency Week in the City of St. John's.

Signed at City Hall, St. John's, NL on this 3rd day of October, 2022.

Danny Breen, Mayor
